

Christina McConnell Scholarship Programme (Ugandan Nationals Only)

Purpose: To promote excellence by offering a full scholarship to an exceptionally achieving Ugandan student, of secondary age who is financially, socially and economically disadvantaged.

The International School of Uganda (ISU) invites applications for its Scholarship Programme. The prospective candidates are profiled as deserving Ugandan nationals of secondary school age. They are students who are financially, socially, and economically disadvantaged. They are orphaned, or otherwise lacking parental support. They are students who demonstrate high scholastic and emotional maturity, who are talented and gifted individuals and who have the aptitude to thrive in an international setting and become future community and business leaders in Uganda.

ISU will provide a scholarship for a successful candidate for a maximum of 3 ¼ years. Due to the differences between the Ugandan and IB Programmes it is recommended that the student enter at the end of Grade 9 or the start of Grade 10.

SCHOLARSHIP DETAILS

For the years, 2019 – 2023, ISU will offer a full Scholarship covering 100% of the school fees. The following will be included:

- The student will receive a laptop and may receive internet access if required.
- A “settling in” stipend will also be paid to the student so that they may also purchase items, which will allow them to settle into life at ISU.
- The scholarship committee also aim to send the student on a foreign trip whilst at ISU; funds permitting.
- Travel to and from school is available provided the student can get to an ISU bus route and lunch can be provided if required.

Selection for the successful candidate will be made by February 28th, 2019 after the Uganda Certificate Examinations (UCE) results are announced. The selected candidate would join ISU in April 2019. The initial course will facilitate the development in spoken and written English, mathematics, skills essential to using a library and information technology and practical science.

ACCOMMODATION

It must be noted that the scholarship does not include accommodation. Accommodation in a secure environment that allows the student to study must be provided or secured by the organization that is recommending the student. Proof of address will be required for a successful student. ISU aims to work in partnership with recommending organisations to provide the scholarship student with the best education and a pathway to higher education.

Mission statement: We learn together to unlock the opportunities of a changing world.
