Discount for introducing new families to ISU

ISU is on a drive to increase enrollment to benefit all students.

A discount will be offered to ISU parents who introduce new families to the school between now and 15 October 2020, as follows:

The following will be applied per new family (irrespective of the number of children in each family):

- 10% for introducing one new family
- 20% for introducing two new families
- 30% for introducing three or more families

The discount will apply to **one** student from the ISU family. The percentage will be calculated on the highest tuition fee for any one student within that family.

The discount will be offered to ALL current ISU Self-Funding Parents (for partial self-payers, the discount will apply to the self-funded portion) for the school year 2020-2021 only. Where parents are fully funded by their employers, they may choose for the discount value to go towards the School Building Fund.

The new families would have to be fully registered and paid at least 50% of full year fees.

The introducing family would need to inform the Business Manager of the name of the family/families they have introduced. New enrolling families will indicate on the Admissions Enquiry Form, the family that introduced them to the school.

This offer is valid until 15 October 2020. Terms and conditions apply.
